

Every Play Every Day, My Life as a Notre Dame Walk-on

Every Play Every Day takes you on the intimate journey of former Notre Dame tailback Timmy O'Neill, who, at 5'6" and 165 lbs, wasn't the prototypical Division I college football player. Experience the journey from the dorm room to the classroom, from the locker room to the training room, and everywhere in between. Read about the incredible experience of being a college football walk-on; the joy, the pain, and the raw emotion characterizing the inner fight athletes deal with on a daily basis. This book details the lessons learned through O'Neill's five years as a Notre Dame walk-on, and shows what can happen to anyone who refuses to accept the limitations imposed by others.
