

The Vision of Aquinas

The Angels of the Fallen and Enlightened have battled over the will of Man since the dawn of time. Now Lucifer, unknown to the Enlightened, has discovered the key to their downfall within the dreams of a 14-year old boy, Cameron. Lucifer starts to direct Camerons path to the Fallen... holding his belief is the only way he can triumph. But Camerons guardian angel, Malach, is in the Dark Princes way. As Cameron begins to question the path of the Enlightened, he becomes embroiled in a battle for the very future of Mankind. This is the first in a trilogy following the journeys of Cameron and Malach, and their interlinked battle to overcome the forces of Darkness.
