

## Sacred Companions Sacred Community: Reflections with Clare of Assisi

Sacred Companions Sacred Community is a practical and sacred journey into holy companionship. It speaks to the longing inside each of us as we traverse this earth in search of love. Bringing to light the long hidden teachings of Clare of Assisi, the companion, and oft-times, teacher of Francis of Assisi, this book reveals the wisdom of a woman and spiritual leader who followed the callings of her heart with courage and with love. Meditations throughout the book will allow you to enter your own journey of contemplation and companionship, as a single person, in relationship, or as a community. This book is a great companion in itself. It is timely, as we all seek the wisdom in bringing ourselves together as a greater community on this earth, learning how to live and love together in the name of the sacred. A book like this can and will move beyond any bird's nest Franciscanism into a spirituality that is for women and men, for celibates and partnered, for extroverts and introverts, for people with souls and bodies, and even people both Christian and non-Christian. -Fr. Richard Rohr
