

Secrets of Discipline

Millions of parents and teachers are wondering what has happened to discipline in today's world. How did children end up with all the choices and all the power? Now, here is a brand new resource that helps parents and teachers get back on track. Secrets of Discipline presents the basics of discipline in a clear, easy-to-understand style. Only when children are well-trained and well-taught do they handle their choices with respect for the rights and needs of others.
