

While I Wait

While I Wait is an inspirational book that God has allowed ReJoyce to share with the world. ReJoyce believes that the writings are a form of ministry for the broken hearted, for the poor, for the weary, and for anyone that is waiting to hear from God. ReJoyce knows that if you are ready to receive a changed mind, and are ready to receive the promises of God, While I Wait is one of many that will equip you with what you need to begin. The Bible says, And let us not grow weary in our well doing, for in due season, we will reap if we faint not. Keep your heart with all diligence, For out of it spring the issues of life. (NKJV)~ReJoyce Grace
