

Seven Days To Say Goodbye

This touched so many different emotions and feelings. It definitely makes you think. I spent this morning reading it and couldn't put it down. It made me feel like I was there, that I was apart of it. I felt like I knew Joie and knowing the outcome was heartbreaking but eye opening.-Jamie, Parents of Murdered Children A truly amazing perspective on life death, love and hate; Dawn Michele has a phenomenal grasp on understanding these emotions and bringing you along on her journey of growth.-Holly Sizemore I find the premise to be original and engaging. It is also compelling from the standpoint of being based on a true-to-life personal tragedy. Congratulations, Dawn, for creating such a well thought out and heartfelt story on paper. You're a fine writer.-Nora Gedgaudas, Northwest Neurofeedback of Portland. Meet Sam. A Heavenly being that wants answers. Meet Dawn. A girl with a million questions for a sister she hasn't seen in fifteen years. Both have only seven days to get the answers to the questions before history repeats itself. Sam and Dawn take you on a journey that exists somewhere between love and hate. Sam follows Dawn as he sends her back exactly seven days before her sister's murder. She goes back, knowing how it will all end and Sam won't let her change a thing. When you are given Seven Days To Say Goodbye, how do you say it?
