

Seven Wives and Seven Prisons

SOME one has said that if any man would faithfully write his autobiography, giving truly his own history and experiences, the ills and joys, the haps and mishaps that had fallen to his lot, he could not fail to make an interesting story; and Disraeli makes Sidonia say that there is romance in every life. How much romance, as well as sad reality, there is in the life of a man who, among other experiences, has married seven wives, and has been seven times in prison-solely on account of the seven wives, may be learned from the pages that follow.
