

## Shake. Stir. Sip.: More than 50 Effortless Cocktails Made in Equal Parts

Some of the best cocktails are the easiest to make, and author Kara Newman figured out the secret using equal parts of the main ingredients and adding a dash of bitters or a splash of seltzer to gild the lily. Take the Cucumber Gimlet: Combine one part each vodka, lime juice, and lemonade; 2 cucumber slices; then garnish with a basil leaf! And beverages like this are a breeze to size up for parties—just double, triple, or quadruple the proportions. This book contains 40 simple recipes, from two-ingredient sips like the Bamboo Cocktail to timeless classics like the ever-popular Negroni, proving that great, artisanal cocktails don't have to come from a bar.
