

Circumnavigation of Shatterworld (Shatterworld Trilogy Book 2)

Redemptive Fiction Award of Excellence winner When sixteen-year-old Rejoice returns from her mission in space, she discovers her boyfriend is only a friend. She flees the pain by volunteering to join her family in a year-long sea voyage around New Earth. Too bad the creepiest boy in the colony also volunteers. In their search for surviving native species, they encounter storms, monsters big and small, and a new threat to the fragile peace between human and alien.
