

Free Indeed?: Are Christians Free Indeed or Enslaved by Religion? Revised Edition

Church leaders say that Christians are free, but are they? What did Christ mean when he said, you will know the truth and the truth will set you free? Free Indeed explores in depth this question and more: *If Christians are free, then why are there so many things they must do to be good Christians? *If the Church is all about love, then why does it spend 95% of its income on buildings and clergys salaries instead of on true charity? *If Christians are a part of the priesthood of the believers and are led and taught by Christs Spirit, then why do they need clergy? *If the Christians body is Gods living temple, and when 2 or more gather they comprise a congregation, then why do they need to go to church to meet with God? *If fellowship is a face to face familial type of encounter, where is the fellowship in church services?
