His teachers were never like this! As a single dad and a partner in the family construction company, Eddie Montesanos days are jammed. Then he discovers his son Max's teacher is none other than Harper Kavanagh. Gorgeous and smart, single mom Harper is even more captivating than she was in high school. Plus it's clear she's dedicated to helping Max with his learning issues. How can Eddie resist making time for her? Too bad there are clear rules limiting the relationship he and Harper have. But with their attraction out of control, Eddie is about to break those rules. Because if it means the chance at a future with her, he'll take the risk of getting caught!
