

## Dysfunctional life of a Southern Gentlemen (Antebellum years of a young Billionaire Book 1)

Deep in the heart of Dixie during the 1800s before the civil war, the Renaissance period of America, we find Boe Covington Jr.; a handsome southern Gentleman born into lies and deceit where nothing in his life was as it seems. Heir to a Billion dollar business that's not solely based on the southern institution of slavery he possessed a physical appearance that mesmerized all women, even the slaves loved to be in his presence, the Southern Belles adored him and the married women secretly wanted to devour him. Born into a family with a variety of dysfunctional behaviors, from excessive sexual desires that border lined untreated mental illness, scandalous affairs, personality disorders and dark secrets. Conceited, yet charming and incredibly entertaining Southern Belles, whose sole existence thrived on proper manners, etiquette, social status and highborn breeding. Young Boe was just like his granddaddy, Boe Sr., two charismatic characters... neither of them agreed with society's rules, southern etiquette and all the dos and don'ts of southern Gentlemen Boe was quite the rebel, he loved sex, it was his favorite sport, he was an excellent lover and had to have every attractive woman he fancied, it didn't matter if they were married, forbidden things tempted and bewitched him, and made him want them even more. Raised under the same roof as his sisters on a large plantation full of colorful personalities. All four children grew up to be very different; Savannah Rose a lovely girl with a heart of gold. Lula Belle, the oldest, she is the Southern Belle of the year, public opinion and the reputation of the family is more important to her than breathing. Sara Raye, well, she's a wild child and wasn't ashamed to show it. His mother and grandmother are God-fearing textbook Southern Belles and made sure everyone around knew it. His father, Wyatt James, is a cold-blooded social climber, the

mans been that way since birth; he hit big when he married into the Covington fortune. Wyatt, wasnt from high-breeding and had to work hard to gain Boe Sr.s favor. He had no shame, and would do any and everything to keep his wealth and maintain his position within society. Theres never a dull moment when it comes to this family unit. Open the pages, take a journey with the young billionaire, and see the Antebellum south through his young lustful green eyes...
