

SME Policy Index: Western Balkans and Turkey 2012: Progress in the Implementation of the Small Business Act for Europe

Part I of this book provides a comparative overview across the region for SME policy development in 10 thematic areas. Part II provides a series of country profiles presenting analysis of the particular situation of the SME sector and the SME policy environment in every partner country. Part III provides a comparative overview across the region on the level of SME policy development in 10 thematic areas at the sub-national levels and provides country-specific analysis of the particular situation of the SME sector and the SME policy environment in every partner country at sub-national level. Annexes provide a list of abbreviations, an assessment grid and a list of SBA coordinators.

Table of Content :

Executive summary
