

Success Plan and Positioning Strategy 7.0: Closing The Gap Between Your Primary Goal and A Successful Outcome

Success Plan and Positioning Strategy 7.0 This book by Vicente Njoku, a self-made success in health care and business, takes the concept of setting and achieving goals and then takes it up a notch, from page one. By using the blueprint laid out in Success Plan and Positioning Strategy 7.0, you will gain fundamental strategies to evaluate yourself and each milestone on the way to your goal. These strategies will also help you create new goals you couldn't have anticipated, thereby fostering success and happiness in all areas of your life. This book is perfect for: Students seeking to improve academics Businesspeople looking to earn promotions Anyone seeking to improve health, relationships, or talents Njoku nearly dropped out of college because he was working two jobs to make ends meet. But with proper planning and a good positioning strategy, he was able to navigate himself away from a dead-end future and through college, graduate school, medical school, and business school. He taught himself, as his blueprint in this self-help guide will teach you, to find success from the inside out: Identify your objectives Know your priorities Develop a strategic plan and contingency plans Take action steps to move your dream from inception to completion
