

The Icky Lunch

Meet Stanley, and his best friends, Chuck and Mindy. On their way to school, Stanley boasts of the special lunch his father has prepared for him. He also finds himself in a dilemma that will challenge his faith and God's love for him. When his favorite time of day arrives, lunch, Stanley is surprisingly taken on a detour from his regular school lunchroom. What Stanley does not realize is that the lunchroom has been transformed and that he is about to take an adventure into the Bible Zone. Rich Ablondi has had over twenty-five years of experience as a Childrens Pastor of local churches in Northeastern Ohio. A talented artist, he has used his skills in cartooning to develop lessons that he ministered to children in the form of puppetry and visual aids. From these lessons, Ablondi has created a series of stories, Adventures in The Bible Zone. These stories take the parables and teachings of Jesus and make life situations that children of all ages will find enjoyable and encouraging.
