

Marketing Your Non-Loan Notary Services

Marketing Your Non-Loan Notary Services: Effective and practical techniques to get notary work outside the loan industry. Sixth edition. You will learn: which marketing materials you need and which you don't; how to market yourself on the internet at low-cost; how to find the hidden work in your area; how to get referrals; how to become known in your community; the types of documents needing notarization and the people who use them; tools for thinking creatively; which government agencies offer free professional consultations; how to handle specific types of notary appointments, and more. Authoress Laura Vestanen has been a notary for 15 years and was formerly a law firm manager. She is regarded nationwide as an expert on marketing for notaries.
