

## Surviving the Flood: A Novel

From the contemporary angst of *Ghost Images* (1979), Minot now turns to a neat blend of allegory and Biblical revisionism. Ham, Noah's third and youngest son, is the narrator and there are elements, he wants us to know, that the Official Version of the story has left out. The scorn, for instance, with which Noah's idea for the ark was met from within the family.
