

A Beautiful Lie: Playing with Fire, Book 1

He saw her first, but his friend made the move. She settled for the safer choice, but her heart knew the truth. They love, they crave, they lie. Garrett McCarthy, Annabelle Parker, and Milo Roberts were as close as friends could get. They shared in each others joy during graduations, promotions, and engagements. They consoled one another through heartache and loss. When one of the friends lives is tragically cut short, its up to the two left behind to pick up the pieces and find out the truth - no matter the cost. As they slowly start to uncover the nature of his deception, and the very powerful people behind it, they begin to question everyone and everything, even themselves. Everyone has secrets - some do it for love while others do it for power. Those secrets can change perceptions, alter reality, and sometimes destroy lives.
