

TED Talks: Learn the Public Speaking and Presentation Skills You Need to Deliver a Successful TED Talk

Are you looking to give a memorable and inspiring TED Talk? TED Talks are popular for a reason -- they captivate, inspire, and take the listener on an emotional journey. Even if you're not preparing to give an actual TED talk you can use the same principals to wow your audience and give the talk of your life. In this book you'll learn exactly what piques and keeps your audience's interest by modeling the best presentations in the world! Look and sound like a pro even if you have a fear of public speaking. Do you want to give a great talk or presentation **WITHOUT** feeling self-conscious, appearing nervous, or worrying about people judging you? This book will teach you how to overcome your fears and deliver the talk of your life. By the way, the audience actually wants you to succeed! With the skills you learn by reading this book you won't let them down. Here is just some of what you'll learn by reading this book: The exact elements that make up a great TED Talk. How to choose your topic by discovering **YOUR** big idea. How to plan and layout your talk. Ways to captivate your audience. What buttons to push to really get an emotional response from the crowd. How to make your audience feel connected to you. Ways to put your own spin on any topic. The exact structure to follow for your talk. The 4 things you absolutely must include in your TED Talk. The 3 methods of delivery and which one will work best for you. What to put on your slides -- **AND** how to decide if you should even use slides at all! How to handle stage fright including 3 tips to calm your nerves before and during your talk. The #1 thing to avoid doing during your talk. (Do this and your audience will actually feel insulted...) And those are just the highlights! Scroll up, click the Buy Now button and discover the secrets to giving moving and memorable TED Talks today!
