

Teens in Crisis: A Collection of Topics and Tips

Teens in Crisis is a collection of topics and tips created to give parents who are struggling with teens who are displaying negative and troubling behavior. From defiance to drugs, Teens in Crisis offers a common sense approach to dealing with some of the more difficult obstacles that block the lines of communication between teens and parents. Author Nicholas Wilkinson offers over a decades worth of knowledge gathered from dealing with teens all forms of crisis. His extensive time spent in group home, residential treatment facilities, and alternative schools has helped for a unique and thought provoking outlook on this very serious subject. This book is meant for self-help purposes only. The information within the pages of this book should be considered an additional resource, and should never take the place of medical professionals and/or mental health providers.
