

The One Minute Presenter

IF CAREER SUCCESS is important to you, then apply this global rule: your technical skills no matter how good they are will only take you so far in an organization. Your ability to rise into leadership positions will be directly related to how well you manage, motivate, inspire and collaborate with the people around you. Your communication skills are the altimeter of how high your career will fly. In *The One Minute Presenter* Warwick John Fahy shows you how to develop bulletproof presenting skills. With eight practical and comprehensive steps, you will learn how to deliver effective messages at the board level and also lead your short attention-span net-generation team. Use *The One Minute Presenter* as a refresher course on what it takes to get your message across in a world of information overload. *The One Minute Presenter* is an essential reference for any business presenter. You can easily apply the practical tips packed in every chapter and see the great impact they have on your audience. Three learning tracks help you through the steps at your own pace. Start the journey to better presenting today. Written for a new generation of tech savvy audiences, *The One Minute Presenter* gives even seasoned presenters insights into connecting with today's easily distracted audiences. Learn how to engage people preoccupied with multitasking. Avoid the low attention span traps in your presentations. Your career is a journey of presentations and *The One Minute Presenter* is the roadmap. Travel through all eight steps and you will never view presenting in the same light. Praised around the world as a fresh light on business presenting *The One Minute Presenter* is a must-read for every manager who needs to influence clients, team members, bosses and shareholders. *The One Minute Presenter* is an 8-step system packed with powerful tips and proven techniques needed to deliver successful

business presentations. You will learn how to: Conquer your nerves: Transform your fears into confidence. Improve quickly: Accelerate your progress with three learning tracks. Handle every question: Enhance your credibility in hostile Q&A sessions. Stand out from the crowd: Become known as an expert in your field. Keep their attention: Engage with diverse and demanding audiences. Speak with clarity: Produce clear, concise and compelling messages. Stay on track: Overcome the most frequent presentation interruptions.
