

# The Bloodstone Chronicles: A Journey of Faith

Here is an action-packed allegory that captures spiritual growth from nonbeliever to mature Christian. Carved from the Blood Mountains, a perpetual reminder of Gods great purchase of mankind, the Bloodstone opens a gateway into another dimension. As they visit fantastic worlds, three children discover the depths of Gods love, the principles of his kingdom, and the reality of spiritual conflict in their journey toward Christian maturity. Dramatized with multiple voices; narrated by Bill Myers.
