

Disregarding The Wondering Phenomena: The Theory and Practice of Phenomena in Chan Meditation (Chinese Edition)

Many phenomena during the Chan Meditation can often scare the participants. These phenomena are tests/disturbances and may occur in various forms and favors. One should ask Who am I? or even ignore them when phenomena arise. Quote from Diamond Sutra: All phenomena are from wondering thoughts. This book covers Master Qs teaching on the subject of phenomena, students questions and Master Qs responses about phenomena in Chan meditation practice.
