

## The Dead Syndicate: Trial of the Archnemesis

They are called The Dead Syndicate. They are hells government, law enforcement and army made up of fallen angels and demons. They have spent centuries fighting the Archangels, heavens angelic orders and corrupting the lives of men. The Syndicate thought they were succeeding, until a traitor is discovered in their midst. When one of their own is caught committing acts of treason The Dead Syndicate turn their fight against him. Thrown into the Purgatorial Prison to await trial, the traitor faces the forces of an ambitious prosecutor working for the Syndicate. As the prosecutor begins to build his case, his team uncovers an intricate plot that could take down the syndicate and, possibly, the entire realm of hell. In a place where treachery reigns and hopes end, the Trial of the Archnemesis begins. Judgment will be decided as the ultimate battle of good and evil begins.
