

The Devil Hates Marriages: How so many people allow the devil to interfere in the marriage

This book is about different marriages, why they didnt work and how they could have worked, if the people wouldnt have allowed the devil to interfere. The stories in this book touch on many parts of marriage divorce, happiness, unhappiness, abuse, lies, fears, deceitfulness and will help those who are married, thinking about marriage, and in the process. This book even has a little about the authors life. Some of the marriage stories in this book are true , but the names have been changed to protect the innocent. You will even get a chance to try and figure out which marriage was the authors. There are other extra sin this book that speak on different issues like, black, self destruction , Michael Jackson and others. Some people who read this book will think hard about marriage and how to choose before marrying. Even learn some things that are and arent important. And those who are married will learn form these mistakes, It will help in making better decisions . Some will even learn that with a little work from both parties, marriage can be beautiful. This book even has a small story that will really help some people who have a hard time believing in themselves, helping them understand that anything is possible, and things arent as bad as they seem. Take from this book what helps you ,some things you will like and some you wont. So use what you like and just reread what you dont and pray on it. Enjoy your reading, God Bless you
