

The Endless Knot (Song of Albion, Volume 3)

Picture a world intricately entwined with our own yet separate, pulsing with the raw energy and vivid color of Celtic myth come to life. Picture Albion. And enter Lewis Gillies, an Oxford student whose search for a missing friend leads him through a door to another reality -- and unimagined discoveries about life, good and evil, and his own identity and destiny. Having ascended the throne as Albions High King, Llew takes the beautiful Goewyn for his queen. But in the midst of their joyous union, treachery is in the making -- forcing Llew to choose between the honor of his kingship and the desire of his heart. His decision drives him across the sea, far beyond Albion to the dark terrors and haunted wastes of the Foul Land. There, as the fabric of two worlds unravels, Llew hurtles headlong toward a final conflict with the Brazen Man. In the balance hangs not only the fate of Goewyn, but the very life-song of Albion, contained within the mystical Singing Stones.
