

In her second cookbook, Blackbird Bakery's Karen Morgan tackles the fundamental secrets to gluten-free delicious recipes: the six flour blends and getting them right. The Everyday Art of Gluten-Free is divided by flour blends—Biscuit, Donut and Fritter, Pie and Pasta, Bread and Pizza, Cake and Muffin, and Cookie Jar—with each chapter offering easy-to-follow recipes that demonstrate the versatility of blends and debunk the notion of an “all-purpose” flour. Morgan transforms more than 100 favorite comfort foods into gluten-free delights, including jelly donuts, chicken and dumplings, red velvet cupcakes, challah, and more. These treats boast the same taste, texture, and appearance as their gluten-based inspiration, and some—like the lemon-raspberry pop tart—are even better than the original. Packed with more than 100 photographs, The Everyday Art of Gluten-Free empowers its readers to make virtually any recipe into a delicious, gluten-free version.

Bad Science: Quacks, Hacks, and Big Pharma Flacks, Methods and Procedures for Building Sustainable Farming Systems: Application in the European Context, Going To The Stables, The Heavenly Father: Lectures on Modern Atheism., The Art of Fund Raising, Clark Griffith: The Old Fox of Washington Baseball,
