

Financial Times Guide to Pensions and Wealth in Retirement (Financial Times Guides)

Cut through the confusion of financial language, the dangers of mis-selling and the variety of opinions and advice to take control of your own financial well-being. Manage the money in their pension funds better. Shop around for other pension providers. Understand the options open to them at retirement. Explain how those with bigger pots can maintain exposure to the stock market in retirement with the potential for increased returns. As well as advising on pensions it will suggest ways of maximising wealth in retirement through property, emigrating, moving a pension abroad and passing on enhanced retirement wealth satisfactorily.
