

The First Tip-Off: The Incredible Story of the Birth of the NBA

Charley Rosen has undertaken the challenge of documenting the latest and greatest history of the game professionally--and has done so to great success. . . . When I finished the book it seemed as if I had gone through another season, injuries and all. . . . Rosen skillfully leads readers through the NBA's first steps along its journey toward what it has become today. --Phil Jackson, from the Foreword

Rosen, a wonderful sportswriter . . . had forgotten more basketball history than the best fans will ever know. Booklist, on *No Blood, No Foul*

Go back to a time when basketball players wore knee pads and itchy cotton jerseys. When even the teams' leaders were grateful for dry towels, hot showers, and \$60 paychecks. When winning was all that mattered. In this vividly rendered and meticulously researched book, endorsed with a Foreword by Los Angeles Lakers head coach Phil Jackson, sportswriter Charley Rosen takes you on a rollicking tour of the NBA's first season. Filled with rare archival photographs and exclusive interviews, *The First Tip-Off* brings to life a cast of unforgettable characters--including Chuck Connors, clown prince of the BAA, and Jumping Joe Fulks, ex-Marine turned basketball's first superstar--as Rosen deftly unfolds the dramatic events of that formative season. It's enough to make you believe once again in the spirit of the sport.
