

The Four Faces

The king continued: From this day forward we will refer to our four sons as The Four Faces. The future of the kingdom is in the hands of The Four Faces. Its vital that they find the right answer. I dont even want to think of the possibility that they could come back without the answer. Human, Lion, Ox, and Eagle are sent on a journey to find out what their purpose is. On their quest, they journey through interesting and wonderful places; they meet strangers, friends and foes; they are challenged with the unknown and with themselves. Will they succeed?
