

Want to Have a Baby Workbook: His: Give Yourself a Psychological and Organic Edge

This workbook can help you identify and address internal conflicts that might be blocking your ability to have a baby. Your focus can bring to light and begin to correct any overriding issues. By aligning your body and subconscious mind, incorporating relaxation techniques and more joyful living, you can more easily achieve a psychological and organic edge in increasing fertility. This combination may give you the edge you need to have a baby. Most effective when used with the positive, powerful Want to Have a Baby Audio Program. Research has indicated that hypnosis can help people relax and may assist in the fertility process. The program may reinforce strengthening beliefs and behaviors. Research has also indicated that thought can change body chemistry. It is recommended that each partner have their own workbook and Audio Program since they are designed to be individualized. 69 pages
