

The Herb and Spice Companion: A Connoisseurs Guide

The Herb and Spice Companion is the newest addition to our very popular Companion series, which has already covered tea, cheese, chocolate, and coffee. With descriptions and ratings of more than 150 spices from around the world, The Herb and Spice Companion includes tips on storing and using spices to create innovative combinations of flavors. This is the essential guide to using herbs and spices to add flavor and depth in the kitchen. This book guides the reader through all aspects of herbs, including their rich history, how to grow, harvest, and dry them, and even their unique medicinal uses.
