

The Inconceivable Truth: Rethinking Infertility

As one of the most heartbreaking experiences in life, infertility can shatter dreams and crush spirits in its unyielding wake. Almost taboo, this struggle is rarely discussed within many Christian circles, which can leave affected couples with more questions than answers. The Inconceivable Truth provides a new approach for addressing some of the struggles Christian couples face today and the truth of what it is to be unable to conceive. It is the authors hope that as you confront some of the same issues she did, her story will help you to make God-honouring decisions and understand better the place of infertility in our lives. To find peace and joy in this difficult season, our counsel must be rooted in the Bible and in Christ. Join Joanna as she shares what God taught her during her familys infertility journey. May His book come alive in ways that will excite your soul and draw your heart and eyes upward to Jesus.
