

The Indispensable Book of Useless Information: Just When You Thought It Couldn't Get Any More Useless--It Does

Nothing you'll ever need to know is in this book. The #1 New York Times bestselling series continues to prove that there are plenty of things in this world no one needs to know about. Why bother learning that...
*Poland sells a drink called Fart Juice?
*ATMs in Vatican City are in Latin? *a two-year-old learns about ten new words a day? *President George Washington checked out two library books that are now 220 years overdue? Do you really need to know... *how many clocks are in the Pentagon? *which state has towns called Intercourse and Virgenville? *what WD-40 stands for? *the state with the fastest drivers?
