

The Knight-Ridder CRB Commodity Yearbook 1993

The single, most comprehensive source on 105 commodities. Articles address major industry trends, changes and issues of interest to professionals in the futures and options markets. Contains approximately 1,000 charts plus tables, supply and demand data, production/consumption figures and background information on each market. This edition features currency markets in the 90s, how to use derivatives to enhance the performance of a market neutral equity portfolio and changes in trade in the livestock industry.
