

The Amazing Dolphin Boy

Dr. James Schaller is the author of fourteen books. He is a highly creative therapist and physician, who cures and comforts children from all over the world. His message to children is that they are never alone. God is alive and close and has a special plan for them. Dr. J. knows and loves children. His care includes many medical solutions to help children--inventing a cure for a rare blood cancer, and creating transdermal creams for the painless treatment of fever, nausea, joint damage, diarrhea, panic attacks, and infections. Dr. Schaller works to heal child behavior problems as well, including through, *When You Are Losing Your Mind Over Your Child: 100 Real Solutions!* Dr. Schaller is a specialist in child and adolescent psychiatry. He is published in many top journals in pediatrics, neurology, psychology and medicine. His writings have been translated into multiples languages. Dr. J also knows that without silliness and laughter, children are bored. He will do almost anything to make a child laugh, and thinks nothing of dancing or singing in his office, to the delight of young children. What music is more lovely than hearing your child laugh? he asks parents. Visit www.personalconsult.com where millions have read his helpful ideas.

Dr. Schaller resides with his wife and children in Florida. Want a story that comforts your child? Looking for a story that makes your child feel loved? Do you want to hear your child laugh? A very powerful and deeply moving story of a child who finds two amazing new friends through a simple prayer and kindness.
