

The Secret at Misty Ridge (Lavender Series Book 3)

After a beautiful winter wedding, Tana and Thor travel south to New Mexico where they soon learn that a honeymoon doesn't always mean traveling to exotic places and meeting exciting people. While visiting Thor's aunt and uncle at Gallup, they learn that Misty Ridge, once a place for hikers, picnics and family outings has become a mysterious and dangerous place to live. Who's behind the building of the mysterious little shacks springing up around the base of the mountain and why are they there? What sinister secrets are they hiding? Who's the young man with the patch over one eye and where did he come from? Who's the mastermind behind the sinister web of intrigue which is threatening to destroy the people they love? Will Tana and Thor be able to prevent the dangerous forces of evil from closing in on the people of Gallup? Will they be able to stop these same forces from threatening the very freedom of the entire country? What is the real secret of Misty Ridge? Follow them in their third adventure of intrigue, fun, excitement, romance and spiritual inspiration. It's a story which has a tender and most unusual heartwarming conclusion.
