In his extraordinary new book, Terrence Real, distinguished therapist and bestselling author, presents a long overdue message that women need to hear: You are not crazy! You are right! Women have changed in the last twenty-five years—they have become powerful, independent, self-confident, and happy. Yet many men remain irresponsible and emotionally detached. They don't know how to respond to frustrated partners who just want their mates to show up and grow up. Enter the good news: In this revolutionary book, Real shows women how to master the new rules of twenty-first-century marriage by offering them a set of effective tools with which they can create the truly intimate relationship that they desire and deserve. He identifies five non-starters to avoid and shares practical strategies for bringing honesty, passion, and joy back to even the most difficult relationship. Using his experience helping thousands of couples shift from despair to profound emotional closeness, Real guides you through the process of relationship repair with exercises that you can do alone or with your partner. With this program you will discover how to - identify and articulate your wants and needs - listen well and respond generously - set limits, and stand up for yourself - embrace and appreciate what you have - know when to seek outside help.
