

The Options Course Workbook: Step-by-Step Exercises and Tests to Help You Master the Options Course

A comprehensive study companion to The Options Course, Second Edition In The Options Course Workbook, Second Edition, George Fontanills offers a wealth of practical exercises that will help further the readers understanding of options, as well as test and apply what theyve learned before they take their first step into the real markets-where time and money are luxuries they cannot afford to lose. This hands-on companion to The Options Course, Second Edition includes a complete answer key and covers a wide range of options issues. George A. Fontanills (Miami, FL) is the President Emeritus of Optionetics, the world leader in Options Education, with offices around the world specializing in teaching high-profit, low-risk, low-stress option trading strategies (www.optionetics.com.) George also runs a hedge fund and money management company. He has written many books, including Trade Options Online (0-471-35938-6), The Volatility Course (0-471-39816-0), The Volatility Course Workbook (0-471-39817-9), and The Stock Market Course (0-471-39315-0)
