

The Sinful Life of Lucy Burns

Lucy Burns wants a normal life: friends, love, and a family of her own. And she could have it all if only she could break free from the job she hates. That job? Facilitator to hell. And her boss is a real devil. After nineteen years of doing the Devil's dirty work, Lucy wants out, but it all seems hopeless until Teddy Nightingale, her easy-listening music idol, gives her the answer: a little-known loophole. If she succeeds, Lucy gets love, happiness, and everything she ever really wanted. But the consequences? They're considerably worse than death. To make it through, Lucy must decide what is evil and what is good, what is right and what is wrong, and if, in the end, there's ever any way to truly know. Smart, sassy, fun, and wickedly funny, *The Sinful Life of Lucy Burns* is a fast and stunning read, perfect for any occasion. Elizabeth Leiknes' fresh writing and comic wit will stick with you long after you've put the book down.
