

Thinkers 50 Leadership: Organizational Success through Leadership

The Worlds Leading Business Minds on Todays Most Critical Challenges Featuring Jim Collins, Daniel Goleman, Marshall Goldsmith, Stew Friedman, and others Thinkers50 is . . . the Oscars for ideas. -- Professor Costas Markides, London Business School Stuart Crainer and Des Dearlove, creators of Thinkers50, have personally interviewed top leaders from businesses around the globe--from CEOs of multinationals to successful sports coaches to people on the front lines of education. In Thinkers50 Leadership, the authors cull the best practices and most intriguing insights of todays top leadership experts to give you an edge on the competition. Chapters include: Crucibles of Leadership Level 5 Leadership The Real Thing Charisma and the Dark Side Followership Where Leaders Meet the World Leaders at Work Each book in the Thinkers50 series provides authoritative explanations of the concepts, ideas, and practices that are making a difference today, including specific examples and cases drawn from the original sources. The concept of leadership was once reserved for politics and the military. But as the authors write, Leadership is now multifaceted rather than simply summed up in the dread words command and control. Leadership is about feelings. Leadership is about emotions. Leadership is about those who follow. Leadership is about the people touched by the actions of leaders. An in-depth exploration of a fascinating subject, Thinkers50 Leadership reveals the most innovative theories and concepts on the subject from the worlds top leadership experts.
