

One Summer (LIBRARY EDITION)

[LIBRARY EDITION Audiobook CD format in sturdy Vinyl Case with cloth sleeves that keep compact discs protected.] [Read by Kate Fleming] He was pure, unadulterated trouble. -- Johnny Harris is home again, his too-tight jeans and damn-your-eyes belligerence honed to perfection by a ten-year stretch in federal prison for murder. Now he's out on parole and ready for the job Rachel Grant has promised him to help him begin a new life. Unlike the rest of the town, Rachel has always believed in her former student's innocence. But one thing has changed. -- The sullenly handsome boy she remembers is still sullen, still handsome--but no longer a boy. And now the small Kentucky town is alive with gossip and whispers of a scandal, as friendship turns to passion and Rachel abandons a lifetime of propriety in the ex-cons' arms. Then the killer strikes again. All evidence points to Johnny Harris, but Rachel knows he is innocent. And she knows she is next -- as a shattering truth is uncovered and dark passions explode in the relentless summer heat.
