

On the Shoulders of My Shepherd: Lessons on How to Heal Before Marriage

Have you found yourself with a desire for marriage, yet constantly feeling discouraged by breakup after breakup? Do you seem to find yourself in relationships that leave you drained and more confused about real love. Or have you finally reached a place in your search for love where you're ready to get out of the loop of pain, rejection and heartbreak? If so, be prepared to enter a journey of healing and wholeness within the pages of *On the Shoulders of My Shepherd*. The epidemic of entering toxic relationships seems to be a cultural fade. Many men and women limp from one relationship to the next without ever examining the root of their choices or giving themselves the necessary time to heal. *On the Shoulders of My Shepherd* presents an uncommon, yet critical approach to ending the vicious cycle of brokenness and begin healing before we commit to the next relationship. *On the Shoulders of My Shepherd* takes you on a journey of finding your very best self as you prepare for healthier relationships. This journey is not a solo mission though. You have been given a Guide on the path to becoming whole. There is a Shepherd who will carry you on this new terrain. Learn how to rest on His shoulders while He carries you through to your healing and better relationships.
