

Tomarts Price Guide to Hot Wheels: Volume 1: 1968 - 1996

The new sixth edition of Tomarts Hot Wheels guide is being published in two volumes and is current up to 2008 vehicles available at the time of publication. Volume One is available now. It covers Hot Wheels cars first produced from 1968 through 1996, plus variations of these castings manufactured up to 2008. It has been six years since the last Tomart s Price Guide to Hot Wheels. There have been many changes to make the guide more user friendly and provide additional information. Both books are printed in full color. The history of Hot Wheels cars has been expanded, and the Wheels section has been re-vamped to make it easier to identify the tires, rims, and markings found on Hot Wheels wheel designs. A panel of over 30 collectors and dealers have priced each Hot Wheels vehicle by grade category to provide the most up-to-date value information available.
