

Charge Up Your Confidence Tool Kit for Kids. Ages 5-11. Powerful, award-winning skills to boost self-esteem in children. Fast, easy, and fun. Elementary School Edition (Cards with Case)

Help your child's confidence stay steady and strong throughout the school year. Confident kids do better socially, academically and emotionally. The Charge Up Your Confidence Tool Kit for Kids (Elementary School Edition) is an innovative skill-building approach to help children boost confidence and self-esteem. Children learn how to deal with mistakes, feelings of failure, and criticism. A rewarding interactive experience between children and parents or adult helpers, this Tool Kit includes 20 powerful tools that are easy for children to learn and remember. Each tool is on a glossy round card with colorful graphics. Adult instructions are on the reverse side of each card. The set of 20 tools comes in a brightly colored, zippered carrying case. Created for children ages 5-11.
