

## Losing Tom, Finding Grace (True Stories)

This book is unique. Written as a journal, it is an honest and intimate revelation of one woman's ability to cope with the unexpected suicide of her teenage son. Tom was a deep-thinking and creative young man, and an active Christian. How can a young Christian commit suicide? How can a parent not feel condemned? What goes through the minds of people in these circumstances? Excerpts from Tom's diary are included. You will find it difficult to put this book down. As you read through the emotional honesty of this narrative you will wonder at God's amazing grace.
