

Media Law

The fourth edition of Media Law continues to provide practitioners with a thorough overview of the disparate laws that impinge upon journalists and broadcasters freedom to publish. The authors provide specialist analysis of case law wherever possible, as well as significant statutory law such as the Human Rights Act 1998 and the Freedom of Information Act. * Provides exhaustive coverage of all the major areas of media law, cutting out the need to go to further sources * Fully updated to cover key case law and other regulatory developments, such as the Human Rights Act 1998 * Written by two respected specialists who are regularly consulted for their advice and experience
