

## Me vuelves loca (Spanish Edition)

Enamorarse puede convertirse en un viaje lleno de baches... Anna Terry jamás pensó que podría volver a enamorarse, y menos en el despacho del abogado al que acude para pedir el divorcio. Su primer marido la abandonó antes de que diera a luz, y el segundo acaba de desaparecer dejándola con un niño de dos años, una hija adolescente y una cuenta corriente en números rojos. Nick Diamond tampoco ha tenido mucha suerte: su mujer, una estricta vegetariana, se ha fugado con un carnicero, y su negocio se está yendo a pique. Anna se resiste a la atracción que siente por Nick, sin embargo, todo se desata cuando comienza a trabajar para él como secretaria. Resenas: Una historia de las que te hacen sentir bien, divertida y claro exponente de la literatura de evasión. Marie Claire Esta novela cuenta con la simpatía y el ingenio que esperamos de Carole Matthews. Es perfecta. Bella
