

Vocal Power: Harness Your Inner Voice to Conquer Everyday Communication Challenges, with a foreword by Michael Irvin

I was able to learn an incredible amount about my voice and about how to have great impact with more pleasure and less pain. -- Tony Robbins, New York Times bestselling author of *Awaken the Giant Within* Achieving Vocal Power is about making a strong impact on others on all three levels of communication--words, tone of voice, and body language--simultaneously. It means finding and developing an authentic voice that is true to who you are as a unique individual. In *Vocal Power*, Arthur Samuel Joseph--a top voice consultant and communication strategist to some of the biggest names in business, entertainment, sports, and politics--shows you simple techniques and exercises that will: Improve not just your posture--but also your stature Enhance your vocal quality Sharpen your mental focus Manage your fear of public speaking Grow your influence beyond your wildest dreams You never get a second chance to make a first impression. Make it count. Become a person people listen to.
