

Life: Strange But True: 100 of the Worlds Weirdest Wonders (Plus: Famous Hoaxes Revealed) (Life (Life Books))

Here are wonders of the animal kingdom, bizarre social practices of the past and present, remarkable and compelling human achievements, and breath-taking tales of nature at its most unpredictable. The photographs do not lie, and this book proves the adage: Seeing is believing. The true details of the famous stories are here: Whats really going on at Loch Ness; what does Roswell, New Mexico, tell us; and, what about that cloud that looked like Jesus during the Korean War? The surprising, little-known tales are here as well: the window washer who fell 47 floors and walked away; and, the Christmas burglar who got stuck in a chimney. As P.T. Barnum might say: Strange but True is a colossal compendium of crazy coincidences, peculiar people and astounding animals. Step right up!
